RE: Your Public Records Act Request received on April 2, 2021

Dear Amy Holsworth:

We are in receipt of the Public Records Act request, received on April 2, 2021, seeking various documents related to PollChief by Konnech. The request involves consultation among departments and agencies with an interest in the request. Accordingly, due to these circumstances and pursuant to Government Code section 6253(c), the County must extend the time to respond to your request to April 26, 2021.

For request #2 can you specify what statute(s) you are referring to?

For requests #2, 3 and 4 can you provide a specific period of time? Additionally, with respect to request #4, Contra Costa Elections uses a limited number of Konnech's PollChief products (modules) including those for polling place locations, inventory, asset, supply tracking, and poll worker (including communications) management. The PollChief products are not used for managing voter information.

You can respond with the clarifying information to CRESec@cr.cccounty.us.

Thank you.

Sincerely,

Sara Brady
