Aaron,

If 1 p.m. works for you, may we plan for a meeting? Let me know what might work best. I am unsure if Teams may work for those outside of Fairfax County, but I could try to create one, or let me know if you may have a different method of hosting.

Thank you,

Aaron, Ravi—

I apologize for the late request, but what might your availability be tomorrow? I would like to discuss contract terms for our next contract, and to work with Konnech towards a June 30, 2021 expiry date if possible if we have not been able to put that in place.

I would be available any time between 11 a.m. and 3 p.m. if a certain time may work for all of us.

If tomorrow is no good, what is next week looking like?

Thank you,
George
