Aaron,

Let's start with your version of the contract, so Scott can begin to review it.

In the meantime, I will work with George and other county staff to understand what the county requires and let you know.

Hi Ravi,

Thanks for the FYI – the reason behind the call with George to find out if the County was able to accept Konnech's version of a contract, as the original contract was supplied by the County on paper.

Thanks again,
Aaron

Aaron,

As we discussed, I look forward to receiving the updated quote and new draft contract from you today!

Also, a point of clarification: Scott has asked me to serve as the single point of contact for the new contract and one-time modifications. George mentioned you called earlier today; please let me know if you need anything from us in order to proceed. I'm in a meeting until 12pm EST, but you're also welcome to call anytime afterwards.

Thanks!
