Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of the income from such business. Further, in certain cases where a form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
