15	Service	PWMS improve tracking feature of EW unassigned Improve Feature of tracking those workers who had their assignment changed from “EW Unassigned” to something else – A report that shows worker name, job title, number, passed assignment and new assignment. Report template. They are constantly moving officers around with their work assignment. So whenever an officer’s assignment changes, whether it is the job title or or the work place only or both, they should be on this report. The column titles: Worker’s name / past job title / past work place / new job title / new work place			100.00	1,500.00
6	Service	PWMS's ability to mark a workers work stats as “No Show.” To track their work history and see that they were a “No Show.” i.Customer wants: add a button that moves all assigned workers into work attendance. ii.the work attendance tab? mark workers as ‘attended’ or as a ‘no show’. Attended workers can move instantly into payroll, or you can manually kick them into payroll. Have it be setup so that no show workers cannot make it to payroll.			100.00	600.00
9	Service	PWMS - if work assignment changes to cancelled, edit email template If someone’s work assignment is changed to canceled have an e-mail template that we can edit that is auto sent to that person.			100.00	900.00
6	Service	Ability to define a workers class attendance as “Missed.”			100.00	600.00

7	Service	Ability to have the advanced workers confirm each individual day they are assigned to work. Report to see this information.			100.00	700.00
5	Service	Redirect portal to jocoportal.com (Purchase site) Would like to have www.jocoportal.com/apply redirect to www.jocoportal.com/ElectionJudgeApplication.aspx aStill need www.vote4joco.org/apply to also redirect to www.jocoportal.com/ElectionJudgeApplication.aspx We never purchased 'jocoportal.com' for you before. Now, as of 3/28 – we did purchase jocoportal.com. so we can have this redirect if needed to wherever.			100.00	500.00
10	Service	Mapping radius selector on map Mapping: a. Have a radius selector on the map so we can choose different options to see how far people will have to travel when assigning them: 2 miles. 4 miles, 6 miles. i.After you are in a worker profile, click on “By Map” and have the map pop up and... ii.After the map is open they want to see three circle lines, one for 2 miles, one for 5 miles, one for 10 miles b.When assigned a specific job title on the map, only show the locations that are needing that specific job title. i.Worker Kelly shettler is assigned the job title Judge and has no work place. When the admin user opens the ‘by map’ feature, only show the polling places that that need that specific job title that I am assigned. Since I am a judge, the poll sites on the map should ONLY show up IF there is a judge target need that isn’t met. All of # 7 is 10 hours			100.00	1,000.00

10	Service	Photos in the worker profile: a.Ability to upload and see a picture of the worker inside of the worker profile above the election panel section. b.Similar to the location module.			100.00	1,000.00
13	Service	PLMS - Report tab new report that will pull photo defined as map with ppid/ep code - photo report template Clarification: they want a report from LMS -> report tab -> add a new report that will pull the photo defined as 'map' along with poll place name / PPID/EP Please give us the photo report template. They would also need to be printed in landscape, so they could be seen properly. You can take a look at what I'm talking about if you check Church of the ascension on the live site.
