Dear Mrs. Jacobsen,

Under the **Montana Public Records Act § 2-6-1001 et seq.**, I am requesting an opportunity to inspect or obtain copies of public information regarding Pollchief by Konnech Election Management System in Montana. We respectfully request to be provided with electronic copies of each of the following documents, files, or images, as soon as they become available. You need not wait until the entire request is satisfied before providing documents that are ready for production.

Specifically, I seek the following:

1. Access to and a copy of any and all documents related to the acquisition, utilization, specifications, security, and maintenance of the Pollchief by Konnech Election Management System or any other Konnech product or system. Specifically, any related Request For Proposal, Request for Proposal Responses, solicitation materials, contracts, sole source certifications, amendments, purchase orders, invoices, technical specifications, user manuals, training collateral, and security certifications.
2. All documents specified by statute to be retained in relation to the Pollchief system and network, either connected directly or indirectly, to Pollchief and Konnech at large.
3. Any and all invoices, correspondence (including emails, memos, and advisories with any Konnech representative including but not limited to Eugene Wu) regarding the acquisition, utilization, specifications, security, and maintenance of the Pollchief or any other Konnech product or service
4. All relevant and responsive documents specifically related to how Montana uses Pollchief and Konnech and the implementation of the election software system.

Please provide all information electronically/digitally (PDF Preferred) via email. I agree to pay any reasonable copying and postage fees of not more than \$50 with a receipt provided indicating the charges for each document should they exceed such cost. If the cost would be greater than this amount, please notify me. This information is not being sought for commercial purposes.

If access to the information I am requesting will take longer than a 'reasonable' amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Any materials requiring delivery via USPS or other carrier service should be directed to:
